# INVESTOR RELATIONS CONFERENCING

## PHONE CONFERENCES

Manage your international conferences with dial-in numbers in many countries.

## PRESENTATIONS

Present PowerPoint presentations or PDF files. Thanks to HTML5 no plugins or downloads are required.

## ENHANCE YOUR COMMUNICATION

Corporate communication is crucial for every element of your business. Choose a cost-effective yet feature-rich communication solution to enhance your communications.

Bring your team and your stakeholders together with ease – No matter if this means 10 people or 1000.

Lindenbaum's conferencing solution is the perfect match for your quarterly presentations, ad hoc IR calls and many more.

# INVESTOR RELATIONS CONFERENCING

## SCHEDULED OR AD-HOC

Set up permanent conference rooms or schedule your conference ad-hoc with a few clicks.

## CRYSTAL CLEAR AUDIO

Compelling audio quality – no matter if 5, 50 or even 1.000 people are attending.

## SECURITY

Data transmission and communication are encrypted.

## RECORDINGS

Record your conference (audio and/or video) and share it.

## MADE IN GERMANY

Our conference solution is hosted in high performance data centers in Germany.

## PARTICIPATE WITH EASE

Easy participation via telephone or web browser (WebRTC) – No plugins or installations required.

## OPERATOR ASSISTANCE

A team of operators can take care of booking your conference, inviting everyone and managing your conference or Q&A session.

## NO PLUGINS OR DOWNLOADS

Communicate seamlessly with integrated presentations and state of the art HTML5 technology.
